

# Privacy Statement

## **1. Purpose of this Statement**

This statement tells you how Upstream Events will collect and process your personal data when you access this website.

## **2. Automated Collection of Personal Information**

As with most other web servers, when you access these web pages certain information you provide will automatically be recorded by Upstream Events. This will include your IP address, browser type, and information relating to the page you last visited. This information is processed to estimate how much usage of the server is made by different categories of users and in the event of a breach of security may be used to aid detection.

## **3. Third Party Access**

Your personal data that you have provided will not be sent to other third parties and will remain confidential, accessible only by those who have a legitimate need to know.

## **4. Changes to this statement**

This statement and therefore the ways in which your data may be processed, can be changed from time to time. Any changes will only be notified via this web page.

Should you have any queries relating to the Privacy Statement, please do not hesitate to contact us.
